

Urban Decay's Revolution Lipstick and Pencil Piece

We all know the dreaded lip-liner fiasco when our pencil doesn't quite match our lipstick- you know, the blatant ring around your lips from the mismatched pair. Now there's a lipstick/pencil set that's changing the game. Urban Decay's Revolution Lipstick and Lip Pencil stride up to the plate swingin' with an innovative and revolutionary perfect-match lip-coloring formula and system. You'll never have to spend excessive time searching for a matching pencil to your perfect shade again! These vibrant twosomes simplify the hunt for the perfect matching pencil to UD's spanking new line of luscious lipsticks. *Finally* a company that gets it! Creamy and luxuriously thick, this lipstick/pencil duo hugs your lips, creating the fuller, plumper, livelier look you desire. Thanks to Urban Decay's rad line of one-of-a-kind duets, you can now effortlessly apply these popping pigments precisely how lip color should be. With names ranging from Bang (perky-bright red-orange) to Shame (sexy-deep red-wine), and F-Bomb (fuming red-rouge) to Catfight (deep yet lax hot pink) among the staple Naked shades, we're sure you'll find the perfect pigment for day or night. You can find the 22 fresh shades at Sephora, ULTA, and select Macy's stores as well as online at sephora.com, ulta.com, macys.com, beauty.com, and of course urbandecay.com.
